

DAVID CHEN

davidchen@promail.com | 555-867-5309

Data Scientist | Machine Learning Engineer

PROFILE

Data scientist with 4 years of experience building production ML pipelines, NLP models, and recommendation systems.

EXPERIENCE

Data Scientist II — NovaMind AI 2022 – Present

Built transformer-based NLP classifier (F1: 0.94) deployed in production.
Mentored 2 junior data scientists.

Data Scientist — RetailIQ Corp 2021 – 2022

Designed recommendation engine boosting click-through by 18%.

Machine Learning Intern — FutureTech Labs 2020 – 2021

Contributed to computer vision object detection project.

EDUCATION

M.S. Data Science — Stanford University 2020

B.S. Statistics — UC Berkeley 2018

GPA: 3.9 / 4.0

TECHNICAL SKILLS

Python, TensorFlow, PyTorch, Scikit-learn, SQL, Spark, Docker, GCP
